

IET Wiring Regulations 18th Edition

Summary

British Standard (BS) wiring regulations are updated every 10 years, with the 18th edition issued in 2018. This qualification is now mandatory for all electrical work. With thorough explanations of all the regulations, emphasising those that are new and significant, this course includes over 1,000 practice questions, helping you to prepare for the 18th Edition exam.

This course requires access to a P.C.(offline) with an internet browser installed.
